Hal Schell Award

Bay & Delta Yachtsman magazine began awarding the Hal Schell Award after the great writer passed in 2006. Each year it is awarded to someone "who has contributed to bettering the Delta," Curt Page, of West Coast Canvas, received the award for 2016. Curt grew up on the Delta and has been in business for some thirty-plus years. He is an institution at Tower Park, indeed he is all over the Delta and beyond. Nowadays, canvas is but a small part of what he does. You can have a custom interior, bespoke mattresses, or a new deck all done by his skilled, quality workmen. Curt works on many yachts owned by famous people, whom unfortunately I cannot name or he would have

Curt literally knows everyone in the area, and it is fitting that he received the award as he was a good friend of Hal. He always has a friendly greeting when he is standing outside his office as you drive by.
